Thursday								
Friday								

In the practicals, the students should learn and practice the approach to patients with internal diseases for their future dental practice. In this semester the teaching will focus on medical history and physical examination, or eventually, interpretation of ECG and the results of laboratory and imaging methods.

Take your white coat, proper shoes, ISIC card and a stethoscope. Face mask or respirator are recommended.

For the credit, the presence on 10 practicals is mandatory.

Prof. MUDr. Jan Filipovský, CSc.
 Head, 2nd Department of Internal Medicine

 Doc. MUDr. Jana Hirmerová, Ph.D.
 Deputy Head, 2nd Department of Internal Medicine
